Referral Sources

Referrals by Municipality

**During the transition to the West Shore Outreach Team, MYST continued serving Colwood and Langford youth, resulting in a higher Westshore share in 2025 than expected for 2026 when referrals for the West Shore will only be from View Royal, Metchosin and Highlands.*

Youth at immediate risk are reached before crises escalate, helping victims access protection and justice, and diverting vulnerable youth from gangs, exploitation, and deeper justice involvement.
